Written and produced by Grammy award winner Barry Goldstein, this CD is the fifth release in Think Big Records' Ambiolgy series. This recording provides an hour of continuous, ambient music composed to relieve stress, assist in the healing process, and help listeners synchronize their internal rhythm with that of their heart at a relaxed state. To order (\$14.99), call 800-289-6923, or visit [www.cdbaby.com/thinkbigrecords](http://www.cdbaby.com/thinkbigrecords), where you can also listen to a sample.
